FLOOR DEBATE

March 13, 2001 LB 114

And I think that the bill would be better if when we look at the penalties we take that out so we don't have the unintended consequence of limiting what the courts could do now in the cases where motor vehicles are being used in the commission of a crime, and it's one of the things that they have as options in those cases. We haven't done that, and I'm concerned that by all of our time here, we're mushing the message. Now I welcome the creative thoughts of Senator Hilgert and Senator Landis. I would really rejoice if we could find some way to clearly state that we believe youth are not served by consuming alcohol, indeed that they are going...many of them will experience permanent brain
